What did you appreciate most about this class?

I appreciated the flexibility of discussion sections and how the material covered during discussion was very helpful in completing problem sets and for preparing for quizzes.

Madeline's discussion sections are supplementary to learning about class content. I appreciate the fact that she summarizes a lot of lecture content and goes through computational examples.

Explain everything in details

The sense of all previous courses coming together as a whole.

What did you appreciate most about this class?

The discussion problems were always very relevant to homework and quiz material. The math could be challenging at times but the TA was always good at explaining the steps.

Able to ask questions easily
